

Asia university 110 academic year first semester Department of Bioinformatics and Medical Engineering
Charles C.N. Wang office hour schedule

		Monday	Tuesday	Wednesday	Thursday	Friday
1	08:10 09:00	office hour	Research	office hour	Lesson Preparation	Research
	location	I414	Center for Precision Medicine Research	I414	HB14	Center for Precision Medicine Research
2	09:10 10:00	office hour	Research	office hour	Introduction to Artificial Intelligence	Research
	location	I414	Center for Precision Medicine Research	I414	L003	Center for Precision Medicine Research
3	10:10 11:00	office hour	Research	office hour	Introduction to Artificial Intelligence	office hour
	location	I414	Center for Precision Medicine Research	I414	L003	I414
4	11:10 12:00	office hour	Research	office hour	Introduction to Artificial Intelligence	office hour
	location	I414	Center for Precision Medicine Research	I414	L003	I414
N	12:10 13:00	---	---	---	---	---
	location					
5	13:10 14:00	Research	Research	Lesson Preparation	Lesson Preparation	Research
	location	Center for Precision Medicine Research	Center for Precision Medicine Research	I414	I414	Center for Precision Medicine Research
6	14:10 15:00	Research	Research	Data Mining	Introduction to Artificial Intelligence	Research
	location	Center for Precision Medicine Research	Center for Precision Medicine Research	H503	HB78	Center for Precision Medicine Research
7	15:10 16:00	Research	office hour	Data Mining	Introduction to Artificial Intelligence	Research
	location	Center for Precision Medicine Research	I414	H503	HB78	Center for Precision Medicine Research
8	16:10 17:00	Research	office hour	Data Mining	Introduction to Artificial Intelligence	Research
	location	Center for Precision Medicine Research	I414	H503	HB78	Center for Precision Medicine Research
9	17:00 18:00					
	location					
10	18:30 19:15					
	location
